Дом человека интересен тем, что отражает его внутренний мир. А если человек – легенда мира моды, ее революционер и король в одном лице, то его дом интересен вдвойне. Имя этого человека – Кристиан Диор. Сегодня выставлен на продажу дом великого кутюрье неподалеку от Канн.

Судьба не один раз возвышала Диора и бросала вниз, и не один раз он, начиная с нуля, достигал новых вершин в творчестве. Лишь в 42 года Диор стал знаменитым, а в 52 года – уже умер. И дом, который находится в 30 минутах езды от Канн, разделил успех и признание своего хозяина. Атмосфера этого дома вдохновляла мастера на создание шедевров >>>

## THE HOUSE OF A PERSON

is interesting because it reflects his inner world. And if a person is a living legend of the fashion world, both a revolutionary and the king of fashion, his house is much more interesting. We talk about Christian Dior. Today the house of the great couturier near Cannes has been offered for sale.

Many times the fate glorified him and then threw him down. Many times he started from point zero and achieved new peaks in this creative work. He became famous when he was 42 years old, and at the age of 52 he already died. And the house located about 30 minutes' drive from Cannes has shared the success and glory of its owner. The atmosphere of this house inspired the master to create his masterpieces.

Christian Dior bought this residence in 1950 (in the same year he was awarded with the Legion of Honour). The building of the 19th century was in a very bad condition and the architect Andrey Svechin was hired to restore it. Such utility rooms as a cellar and a storage room were turned into elegant salons by Svechin, and Dior designed the interiors himself. He was >>>
